Even if you're not a diver, you can still
experience the rich marine life with
Discover Snorkeling or Discover
Scuba Diving.

Snorkelers can enjoy the abundant
coral and fish life with the supervision
of qualified PADI Divemasters.

If you're not a diver and would like to
give it a try, our PADI Instructors
can help you experience the thrill of
scuba diving in as little as one day with
"Discover Scuba Diving."
